

Ono što bi trebalo,  
jeste ostati normalan.

Ovo je mama pre nego što se udala za tatu, kada je još radila.

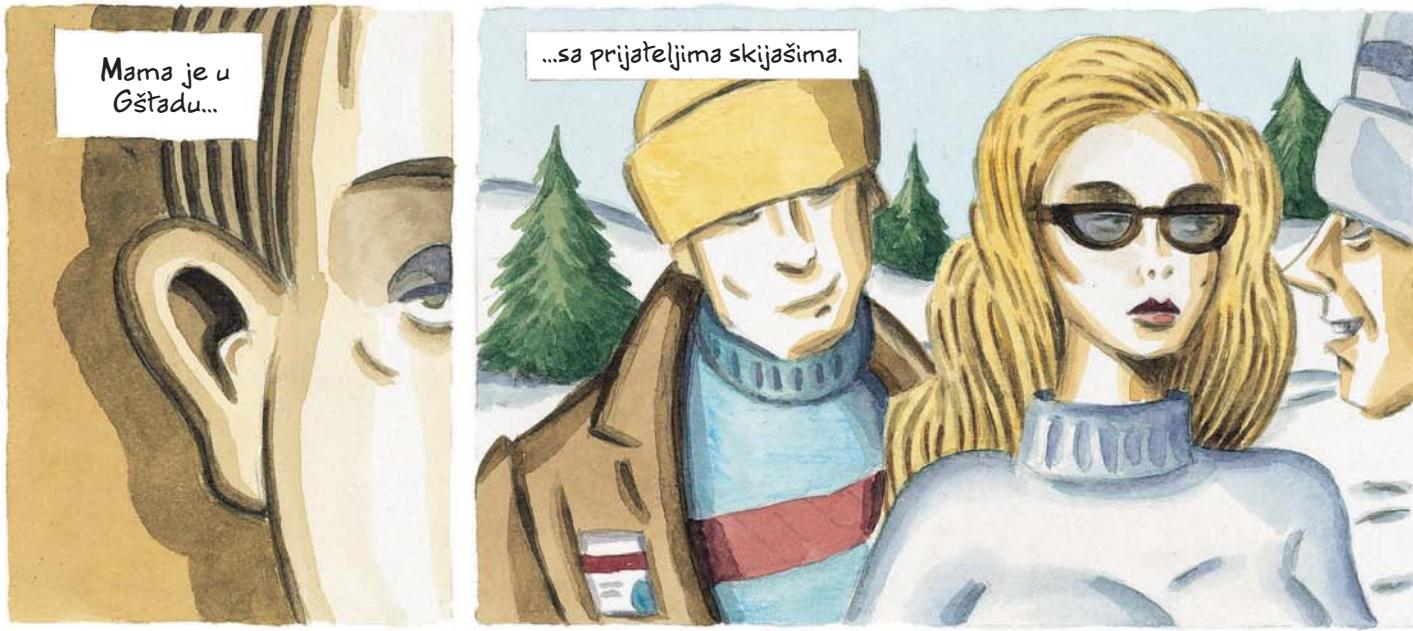

Šteta što je mama morala da prekine karijeru koja je toliko obećavala.

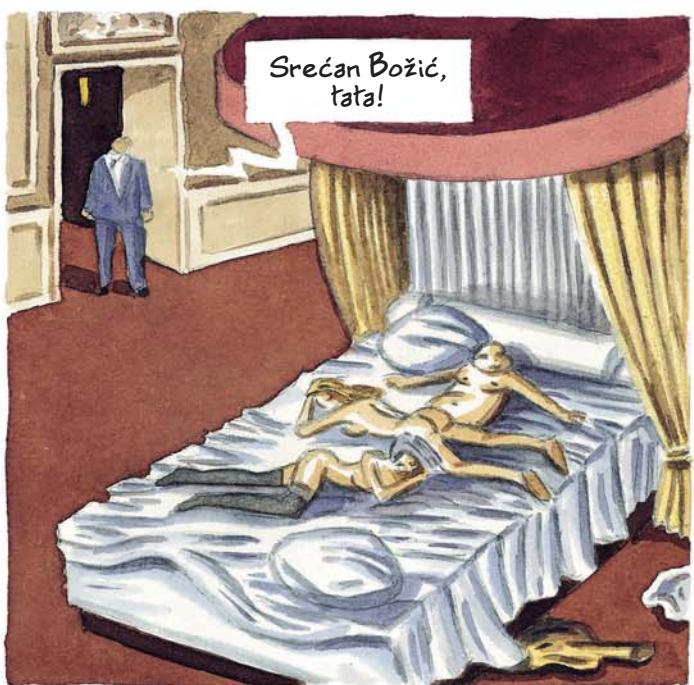

Jako volim ovaj film. Scenario je odličan.

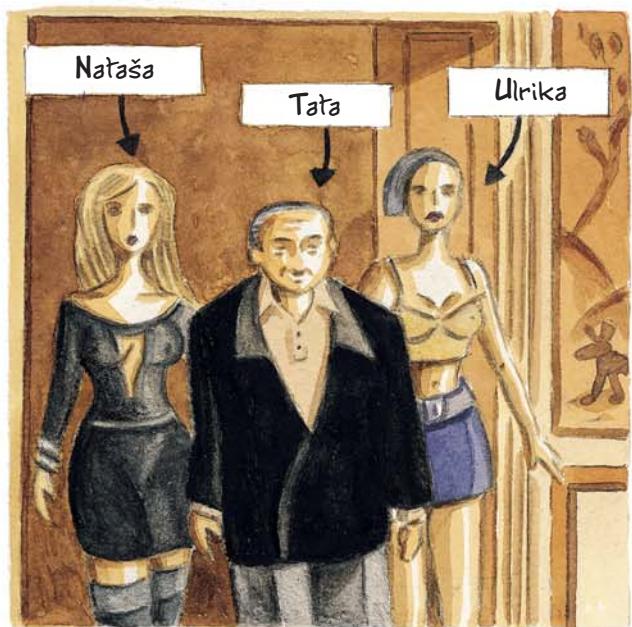

Srećan Božić, mama!

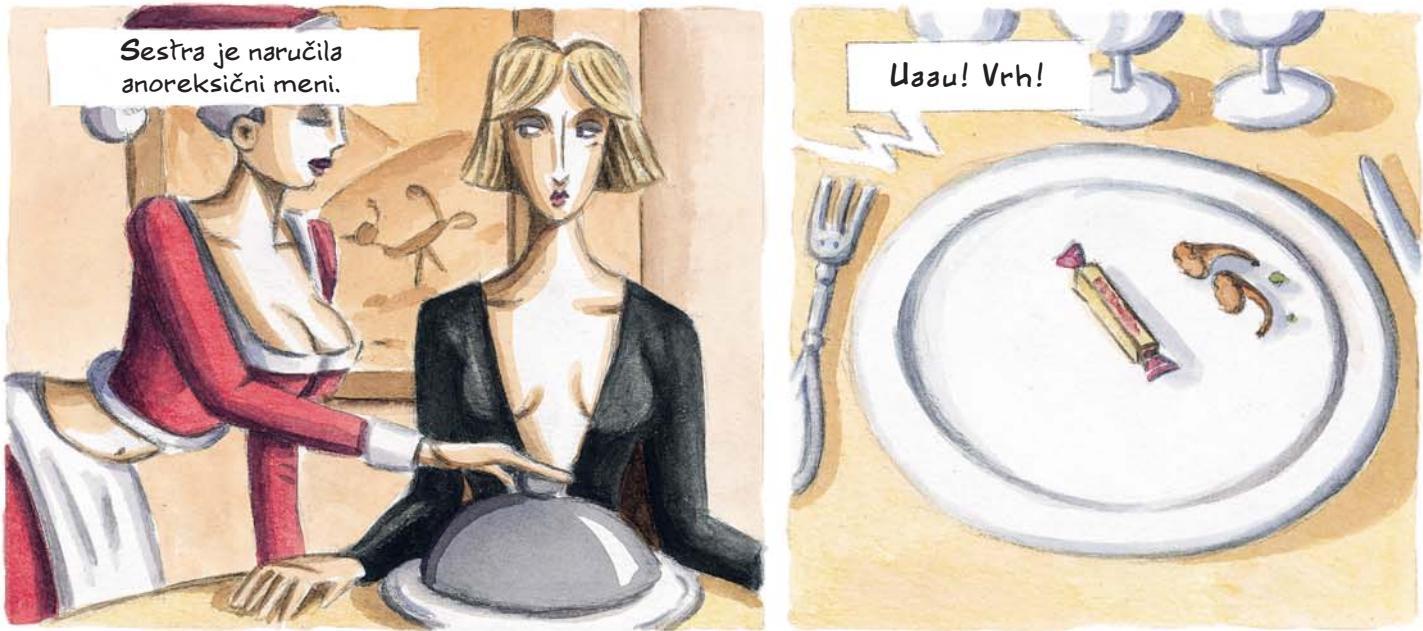

U našoj kući Božić se slavi u septembru, jer za sam Božić nikada nismo zajedno.

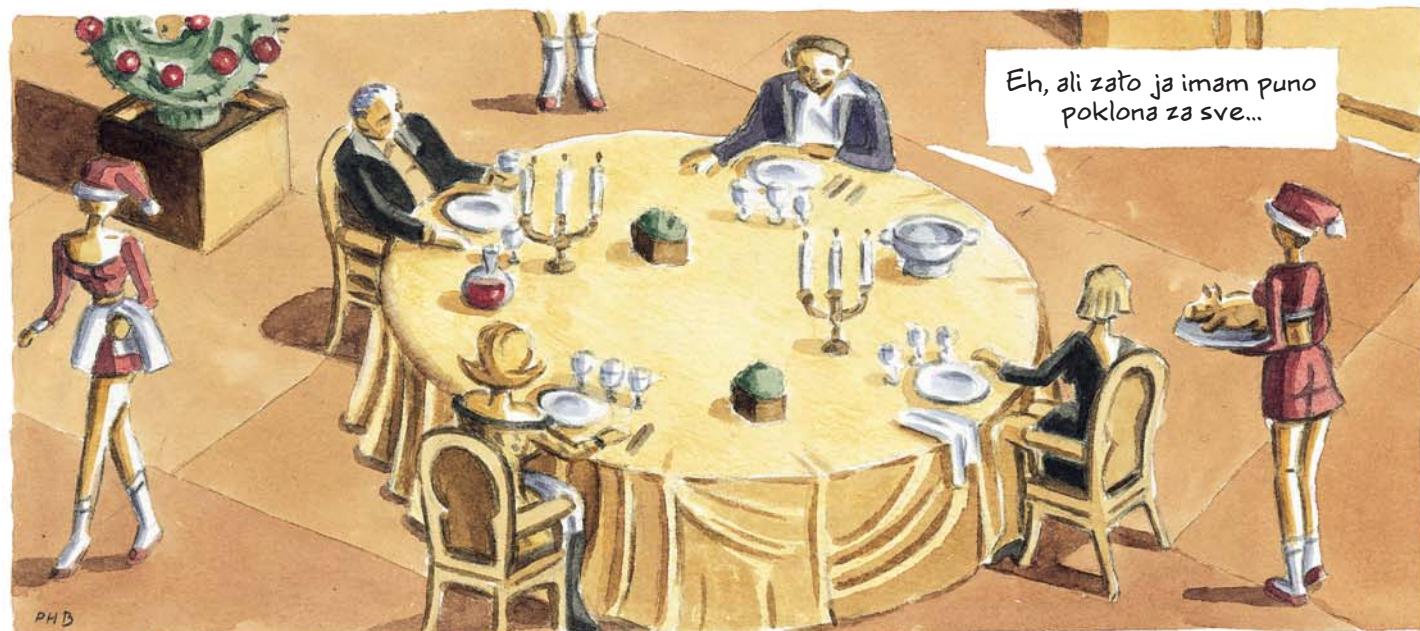

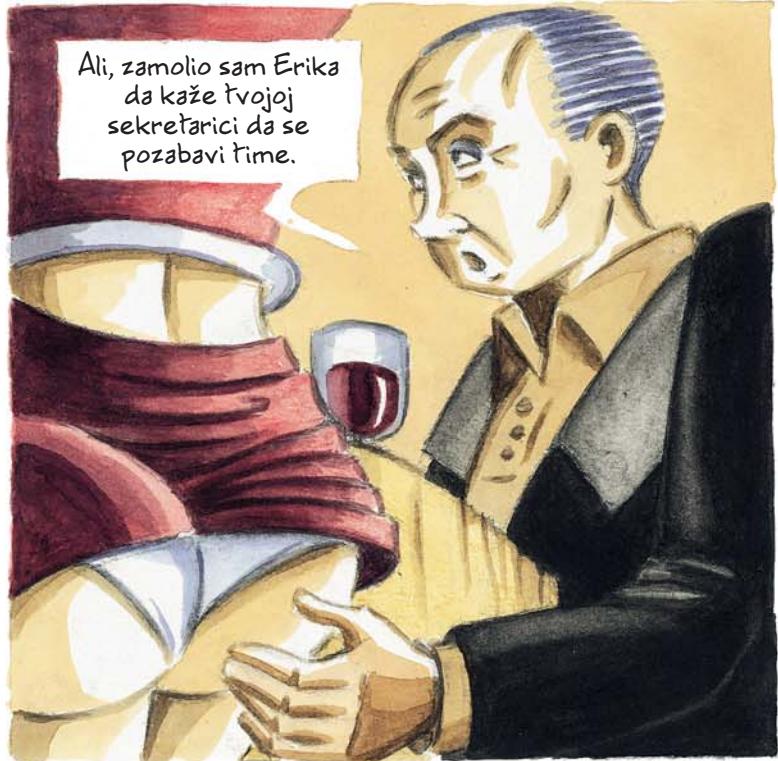

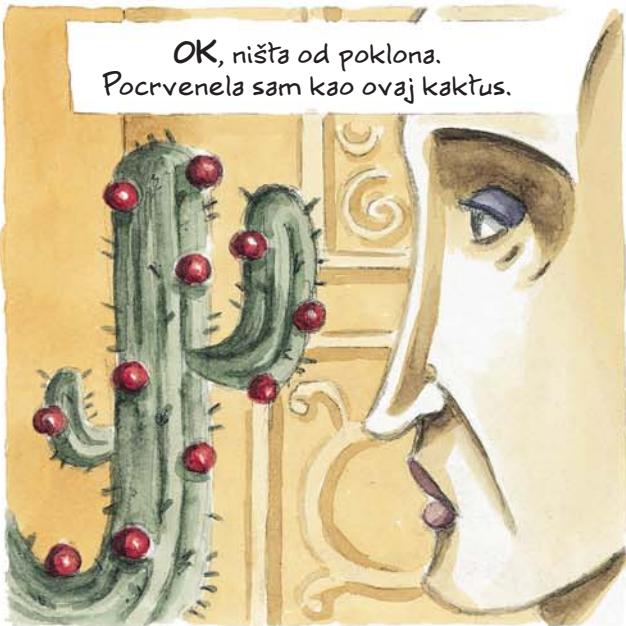

Tata je na Mistiku, kod Mika Džegera.

Sa Juniorom je najgore  
uvek izvesno.

Ooooh!  
Šta je ovo?

Ovaj predivni  
telefon-vibrator  
marke Sony  
kombinuje dve  
osnovne aktivnosti  
moderne žene!

Po  
neverovatnoj ceni  
od 2 590 švajcarskih  
franaka!!

Halo? Halo? Veoma smešno,  
dragi, ali sigurna sam da  
tebi ovo treba više nego  
meni.

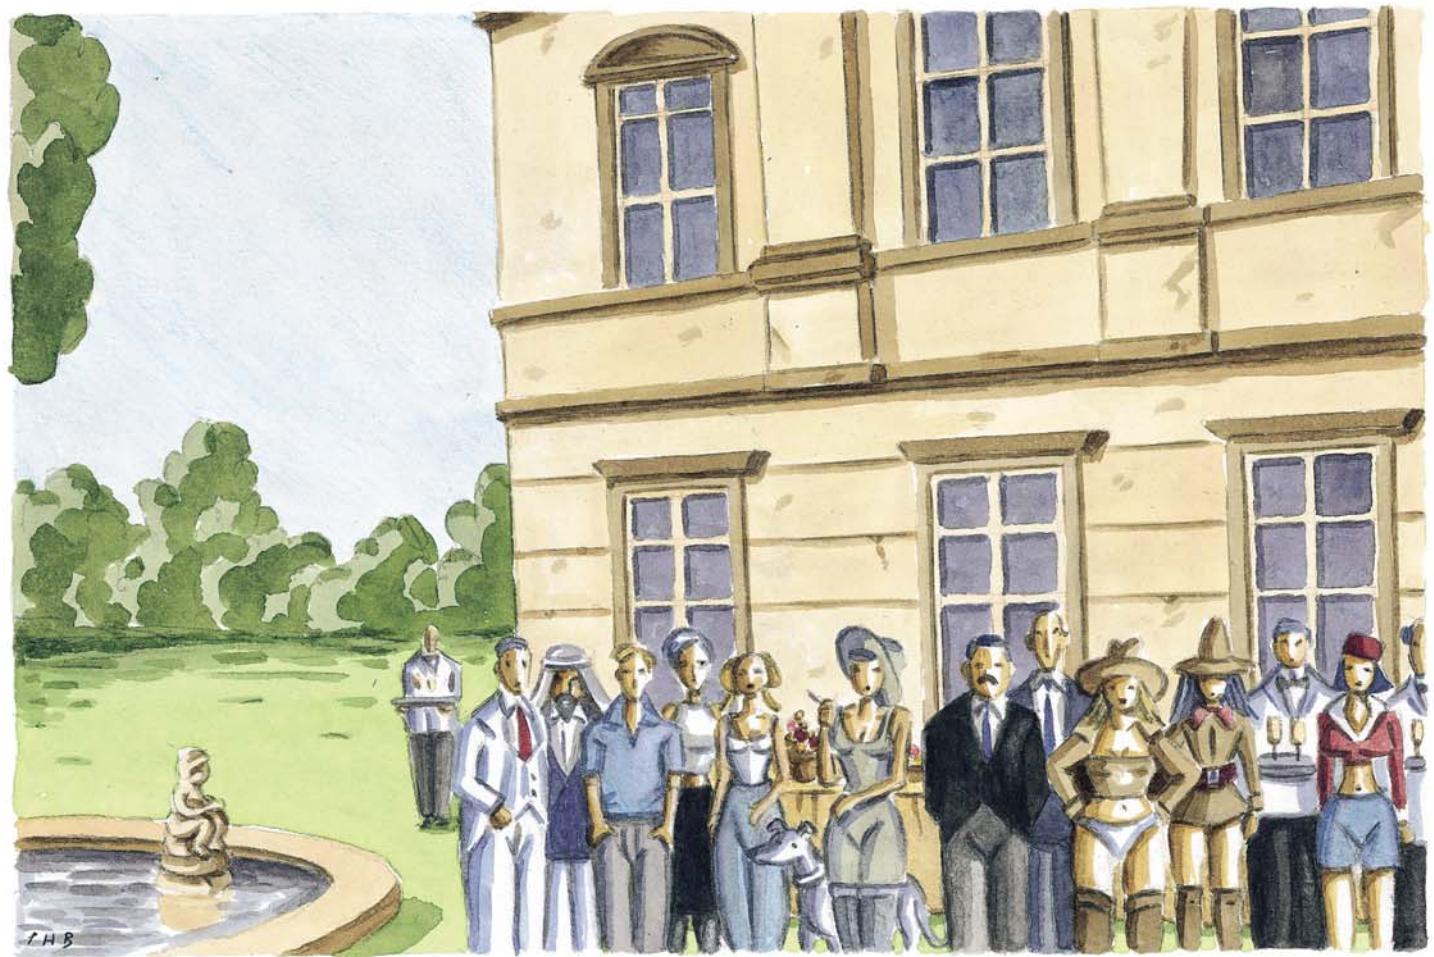

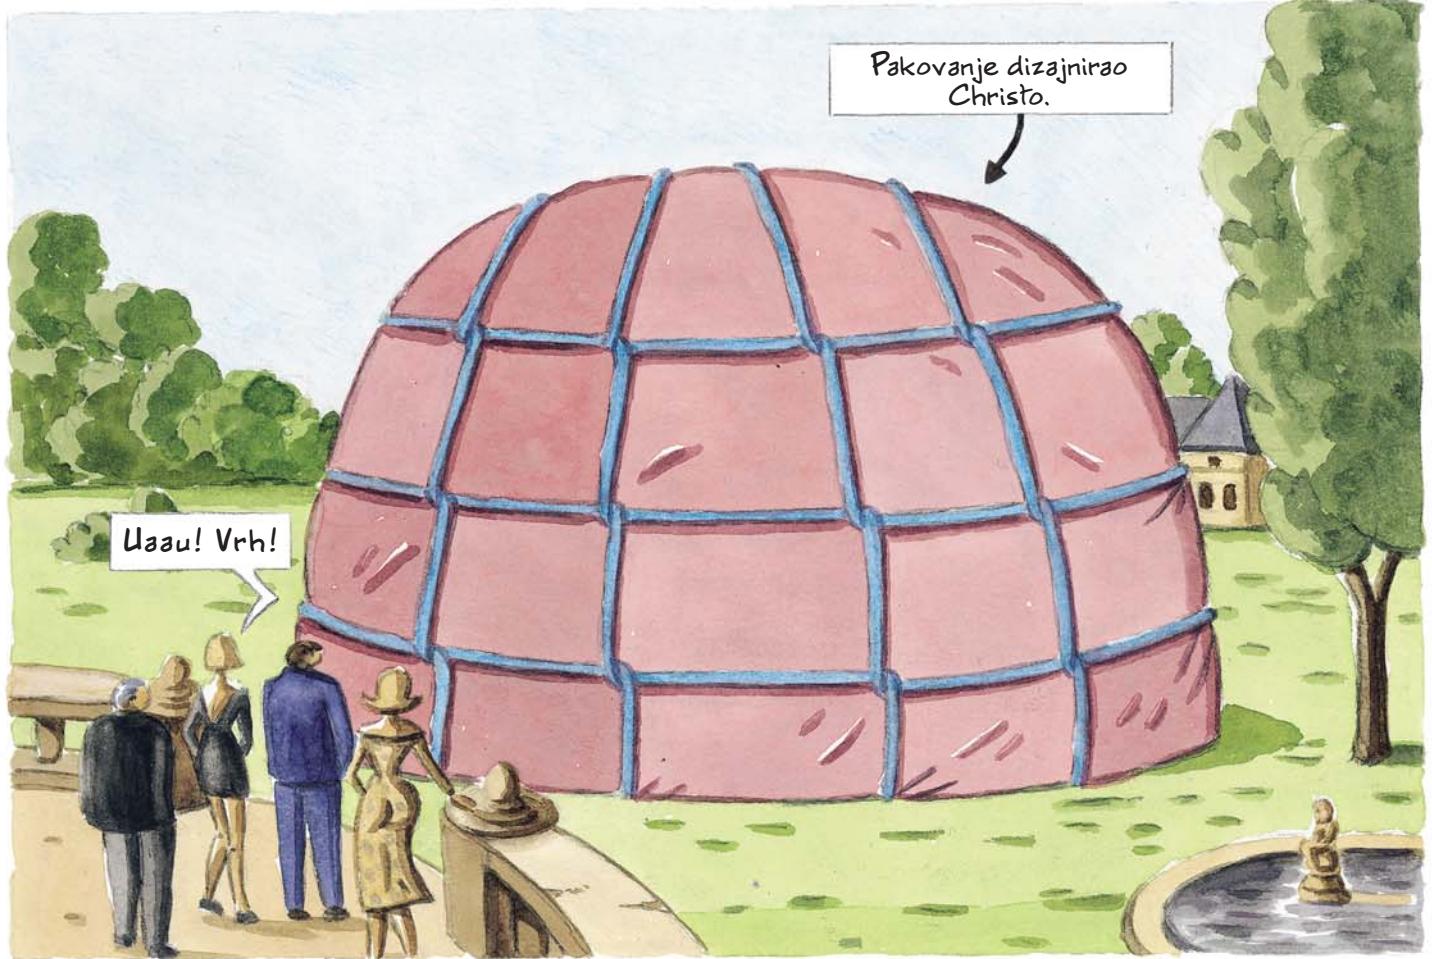

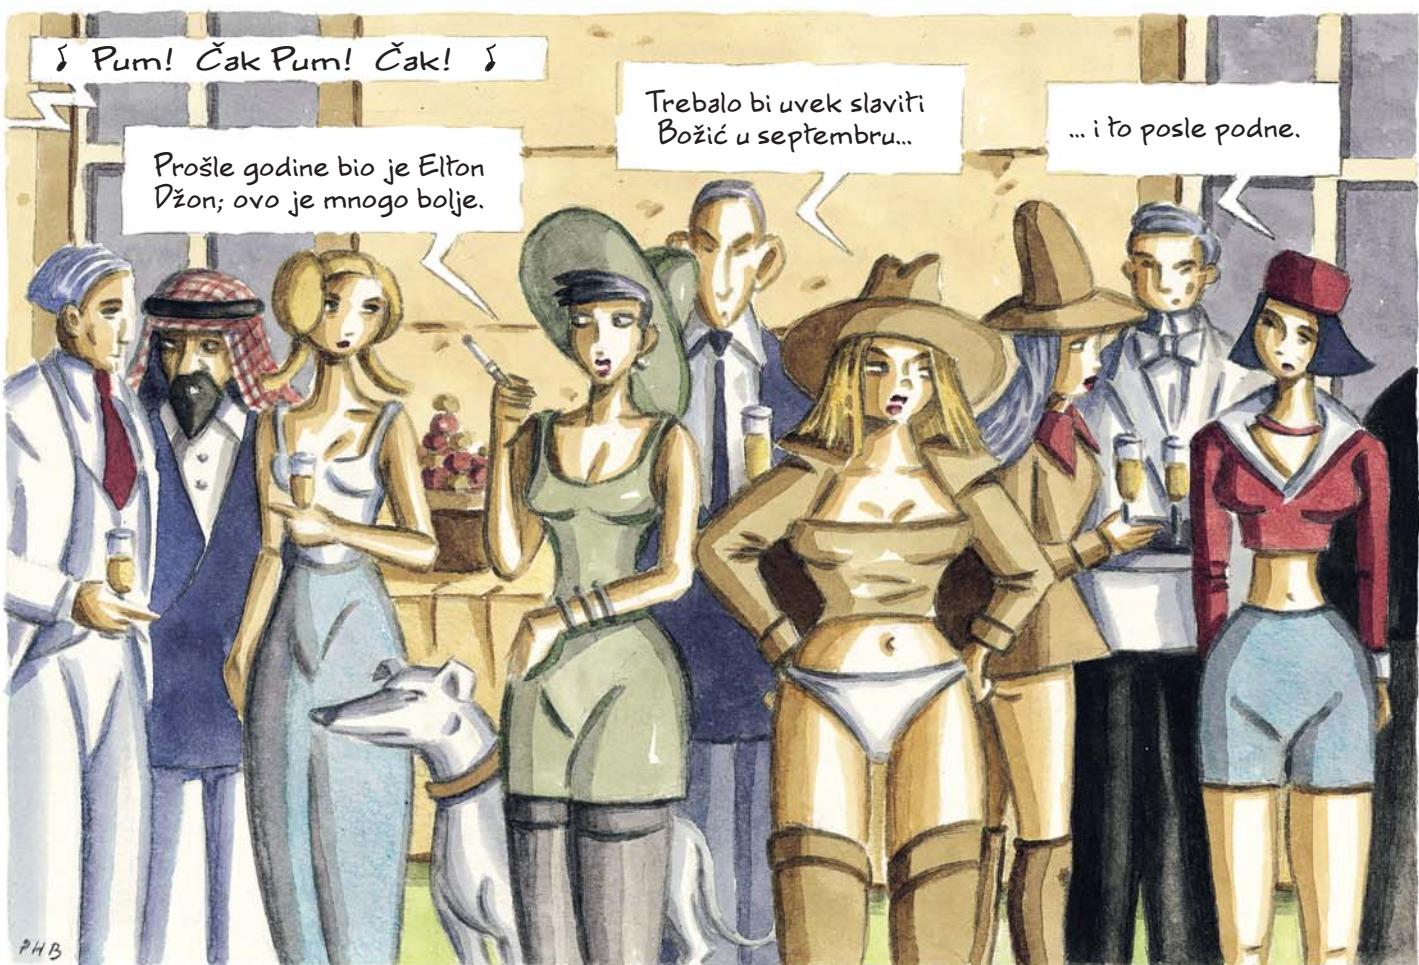

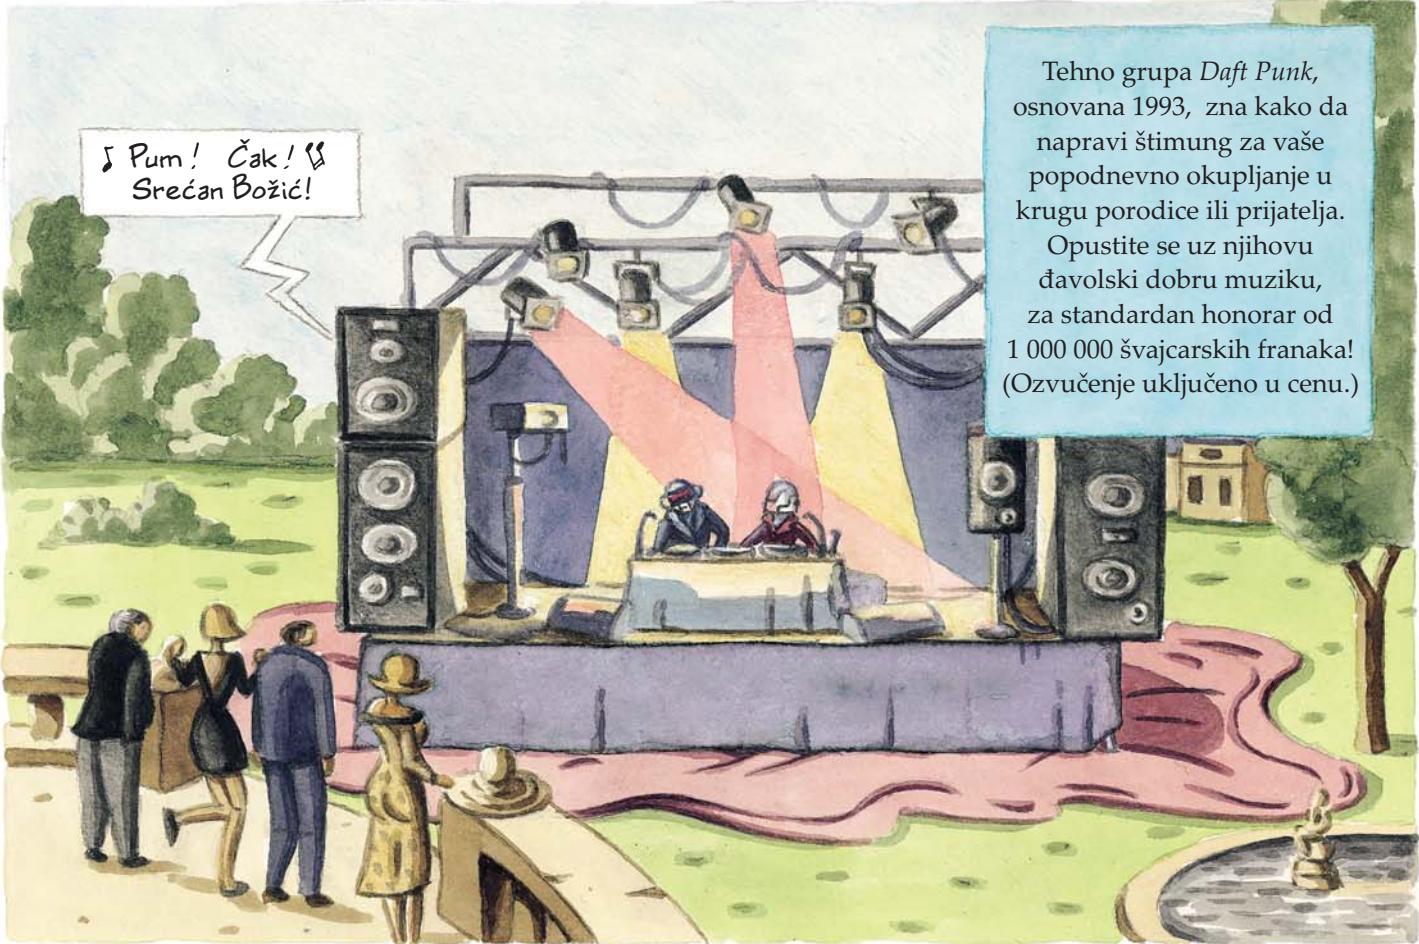

A ja?  
A ja?

Seko, tvoj poklon  
čeka te u parku.
